

THE UNIVERSITY OF ARIZONA

**TECH LAUNCH
ARIZONA**

Open Source: Open for Business

Software Development and Commercialization at the UA

Lunch & Discussion

Are you a UA faculty member, student or employee creating new software innovations? Join in this discussion to learn more about the Open Source Initiative and the advantages, opportunities and pitfalls of freely distributing your software.

Attendees will also learn about the differences between protecting software innovations through patents versus copyright, and the issues and challenges involved in each.

Join us and learn about the strategies and services available to help you bring new technologies to the marketplace where they can create impact.

Our discussion will be facilitated by:

- **Lewis Humphreys**, Licensing Manager for Software and Information Technology, Tech Launch Arizona

This event is for UA faculty, staff and students only.

Lunch will be provided for all who RSVP in advance.

**October 5, 2017
Noon - 1:00 PM**

**Silver & Sage Room,
Old Main**
