GOING INTERNATIONAL:
PROTECTING YOUR IP
AROUND THE WORLD

PREPARE FOR SUCCESS WITH TECH LAUNCH ARIZONA & THE USPTO
DECEMBER 9, 9:00-10:00AM
VIA WEBEX

PROTECTING YOUR IP
AROUND THE WORLD

To successfully enter and compete in foreign markets, companies must first ensure their intellectual property (IP) is protected.

Tech Launch Arizona has collaborated with United States Patent and Trademark Office (USPTO) to bring you an interactive discussion around mitigating potential risks and resolving international IP issues.

Markets of focus for this event includes the European Union, China, Latin America, South Asia, the Middle East and North Africa.

HEAR FROM THE EXPERTS

Our panel will include
• Five IP attachés assigned to US missions abroad to work on IP matters in the EU, China, Latin America, South Asia, the Middle East and North Africa
• Dominic Keating, Director of the USPTO’s IP Attaché Program
• Wayne Stacey, Director of the Silicon Valley USPTO Office
• Julie Mason, Outreach Officer of the Silicon Valley USPTO Office
