

ATTENTION ALL

ACADEMIC RESEARCHERS, INNOVATORS, & INVENTORS

**11TH ANNUAL MEETING
JUNE 14 - 15, 2022
PHOENIX, ARIZONA**

LEARN AND CONNECT

**with some of the most distinguished and accomplished
academic inventors and entrepreneurs in the world.**

Network with peers and colleagues from throughout the United States. The two day program will include ample time for answers to attendees questions. Breaks and after hours will provide golden opportunities for one on one interactions with all speakers and panelists..

Be a part of the conversation!

Annual Meeting topics will include:

- Innovating for future generations
- Funding Innovation—challenges, solutions, and resources
- Diversity, equity and inclusion in Innovation
- The intersection of academic innovation and the arts and humanities

Annual Meeting speakers will include:

- University Presidents
- Senior Federal Government Officials
- University Vice Presidents of Research and Innovation
- Tech Transfer Officers
- National Inventors Hall of Fame inductees, National Medal of Technology and Innovation awardees and Nobel Prize winners
