STUDENT INVENTORS!

CALLING ALL UNIVERSITY OF ARIZONA

UP TO $50,000 IN PROJECT FUNDING WILL BE AWARDED

A FOCUS ON IMPACTFUL IDEAS

All impactful invention ideas are welcome!
Potential areas of focus could be:

- Solutions directed to resolving challenges faced by Hispanic and Native American communities.
- Digital health and wellness remedies to tackle unmet medical needs.
- Public health solutions targeted to address infectious diseases, in particular COVID-19.
- ...or any solutions to problems you come up with on your own!
